

## Just Friends

Useless ID

it's good night, it was nice  
there are so many things  
i would like to tell you  
feelings caved for a while now

a force and shield is over you  
and we both know that it is true  
i'm falling for you once again  
but it's hard when we are just friends

you think it was such a right thing  
what has been going on half a year  
still sincere to someone i can't hear about

you're doing fine with someone else  
it ain't the same as being in love  
but i can try it for a change  
still it's hard when we are just friends

a blast of affection when you're around  
talking for hours, it's obvious that a match was found
