

## Send One Your Love

Vanessa Williams

Send her your love with a dozen roses  
Make sure that she knows it with a flower from your heart  
Show him your love, don't hold back your feelings  
You don't need a reason when it's straight from your heart

I've heard so many say that the days of romance are no more  
And people falling in love is so old fashioned  
Waiting are they the day they once let slip away  
Hiding need to fulfill their heart's desire for love's passion

Send her your love with a dozen roses  
Make sure that she knows it with a flower from your heart  
Show him your love, don't hold back your feelings  
You don't need a reason when it's straight from the heart

I know that people say two hearts beating as one is unreal  
And can only happen in make believe stories  
But so blind they all must be that they cannot believe what they see  
For around us are miracles of love's glory

Send one your love, don't hold back your feelings  
You don't need a reason when it's coming from your heart, whoa  
whoa  
From your heart, whoa whoa, from your heart, whoa whoa

Send one your love, show him your love  
Send one your love, your love
