Too Young

Venetian Snares

You say our love Is like dynamite Open your eyes 'Cause it's like fire and ice Well you're killing me Your love's a quillotine Why don't you just set me free Run for the hills We're both sinners and saints Not a woman, but a whore I can just taste the hate Well now I'm killing you Watch your face turning blue Not yet a man Just a punk in the street You say our love Is like dynamite Well its no surprise Cause you've got one-way eyes Well you're killing me Your love's a guillotine Why don't you set me free
