From blackened flame Ye shall remain Ballistic brethren Dark souls in pain Defecate on the teachings Burn into the dirt Suffocate all the preachings Bury them in earth All hail! Black flame of satan All hail! Black flame of satan black flame of satan From frozen fire Black angels choir Safety in numbers (666) Worship the liar Defecate on the teachings Burn into the dirt Suffocate all the preachings Bury them in earth All hail! Black Flame of Satan All hail! Black flame of satan Black flame of satan By candle light All hail ye tonight The master takes a bow From flame of life Defecate on the teachings Burn into the dirt Suffocate all the preachings Bury them in earth All hail! Black Flame of Satan All hail! Black flame of satan Black flame of satan
