

# I Think I Love You

Voice Of The Beehive

I'm sleeping right in the middle of a good dream  
When all at once I wake up  
From somethings that keeps knocking at my brain

Before I go insane I hold my pillow to my head  
And spring up in my bed  
Screaming out the words I dread

I think I love you

This morning I woke up with this feeling  
I didn't know how to deal with  
And so I just decided to myself

I'd hide it to myself and never talk about it  
And did not go and shout  
When you walked into the room

I think I love you, I think I love you  
So what am I so afraid of  
I'm afraid that I'm not sure of  
A love there is no cure for

I think I love you is that what life is made of  
Though it worries me to say  
That I've never felt this way

Believe me you really don't have to worry  
I only wanna make you happy  
And if you say hey go away I will

But I think better still  
I better stare out and love you  
Do you think I have a case  
Let me ask you to your face

I think I love you, I think I love you  
So what am I so afraid of  
I'm afraid that I'm not sure of  
A love there is no cure for

I think I love you is that what life is made of  
Though it worries me to say  
That I've never felt this way

I don't know what I'm up against  
I don't know what it's all about  
I got so much to think about, yeah

I think I love so what am I so afraid of  
I'm afraid that I'm not sure of  
A love there is no cure for

Do you think you love me?  
I think I love you, I think I love you  
I think I love you
