Wayne's Pet Youngin'

Ween

Morgan's pain Succumbs to the frame In a zany combination Of Wayne's pet youngin'

Astral plane Conversing lame In a zany combination Of Wayne's pet youngin'

A stained pane Drownin' out the rain In a zany combination Of Wayne's pet youngin'

You name the game
And I'll bring Dwayne
And Roger and Rerun
To Wayne's pet youngin'

Rerun's brain
Confetti stain
In a zany combination
Of Wayne's pet youngin'

What's your name?
Are you glad you came?
Would you die in the name
Of Wayne's pet youngin'?

Yes, I would
