When You Tell Me That You Love Me

Westlife

Shane:
I wanna call the stars
Down from the sky
I wanna live a day
That never dies
I wanna change the world
Only for you
All the impossible
I wanna do

Diana:
I wanna hold you close
Under the rain
I wanna kiss your smile
And feel the pain
I know what's beautiful
Looking at you
In a world of lies
You are the truth

All:
And baby
Everytime you touch me
I become a hero
I'll make you safe
No matter where you are
And bring you
Everything you ask for
Nothing is above me
I'm shining like a candle in the dark
When you tell me that you love me

Mark:
I wanna make you see
Just what I was
Show you the loneliness
And what it does

Diana:
You walked into my life
To stop my tears
Everything's easy now
I have you here

All:
And baby
Everytime you touch me
I become a hero
I'll make you safe
No matter where you are
And bring you
Everything you ask for
Nothing is above me
I'm shining like a candle in the dark
When you tell me that you love me

Mark:

Ooooooh

Diana:
In a world without you (Mark: world without you)
I would always hunger (Mark: I will always hunger)
All I need is your love

Mark & Diana:
...to make me stronger

All:
Everytime you touch me
I become a hero
I'll make you safe
No matter where you are (Mark: Matter where you are)
And bring you
Everything you ask for
Nothing is above me
I'm shining like a candle in the dark
When you tell me that you love me
When you tell me that you love me

Mark:
You love me

All:
When you tell me that you love me
