

## Your Sorrow

### Widowmaker

I live for your pain  
I thrive on your tears  
I know to blame  
I've waited for years  
You tried your best to kill me  
You gave it all you had  
So now your anguish thrills me  
I live to see you sad.

I welcome your grief  
I love your distress  
You bef for relief  
I couldn't care less  
I've waited years for this day  
I counted every hour  
I hate you every which way  
So sweet your life's gone sour.

Your sorrow  
Is my pleasure?  
Your sorrow  
Is my joy?

So how does it feel?  
It's your turn to cry  
Your anguish is real  
I don't care if you die  
You've shown me your true colors  
I know the you inside  
And now I watch you suffer  
You ran but couldn't hide.

Your sorrow  
My passion  
Your sorrow  
Is my way?

Your sorrow  
Is so thrilling  
Your sorrow  
Is my light?  
Your sorrow  
Soul filling  
Your sorrow  
Is so right.
