

Real Soon

Will Downing

This is no ordinary love song
Won't make a thousand promises no, no
'Cause I got to get somethings to give her
And it might take a minute, babe, so I won't say when

Like a robin way up high, blue skies we'll fly
Like a candle burning bright our love it will shine
Like a tulip in June, believe in our love
It will bloom real soon, real soon

Life in a way is a boat of roses
It's all like a road that never ends, yes it is
But maybe the lessons that I'm learning
Maybe it'll make me a better lover and friend

Like a robin way up high, blue skies we'll fly
Like a candle burning bright our love it will shine
Like a tulip in June, believe in our love
It will bloom real soon, real soon

(You and I)
Were truly meant to be together
(Like birds we'll fly)
[Incomprehensible] weather

(Love takes time)
When it's truly meant to last forever
(Like yours and mine)
One day like birds of a feather just like

Robin way up high, blue skies we'll fly
Like a candle burning bright, our love it will shine
Just like a tulip in June, believe in our love
It will bloom real soon, real soon

Just like a robin way up high, blue skies we'll fly
Like a candle burning bright, our love it will shine
Ohh, like a tulip in June, believe in our love it will
It will bloom real soon, real soon, real soon, real soon

Robin way up high, blue skies we'll fly
Candle burning bright our love will shine
Tulip in June, believe our love will bloom real soon, real soon
