

## Pins And Needles (In My Heart)

Willie Nelson

I know not where on earth to find you  
I know not how or where to start  
I only know I'm here without you  
And there's pins and needles in my heart

The days and nights are growing longer  
Since first you said that we must part  
And now you're smiling at another  
And there's pins and needles in my heart

I know not where on earth to find you  
I know not how or where to start  
I only know I'm here without you  
And there's pins and needles in my heart

I know not where on earth to find you  
I know not how or where to start  
I only know I'm here without you  
And there's pins and needles in my heart
