Take My Word

Willie Nelson

Take my word for what I tell you
I have never lied to you
Pay no mind to what they're sayin'
I have never been untrue
Evil tongues in town
Continue to prat aloud
Their evil news
You'll have to take my word
When I tell you I love you
I love you (I love you)

The power of gossip is always strengthen
When it finds a respected ear
If you listen the chances are greater
That a thread of doubt may appear
Evil tongues in town continue...

Evil tongues in town
Continue to prat aloud
Their evil news
You'll have to take my word
When I tell you I love you
I love you I love you
Take my word I love you
Take my word I love you
