

This is for Love

Wolfsheim

You've got to do it
Do something right now
There's no time for waiting anyhow!
You've got to do it
Everything went wrong
Something has to happen
Somewhat strong it has to be
Something for everyone to see!
This is for love this is for hate
And there were never higher stakes
You've got to do it right!

And you know just what to do
We know you will
And you know just what to do
We'll love you still

And then you'll discover this is no dream
Life is as real as it seems!
And if someone says: they have to pay the toll!
Don't believe it at all!
