

Feels Like

Yeng Constantino

Looking for the right way to say "I Love You"
In the best kind of way
Coz it's hard to express, the way I feel, the lines rehearsed
Come stumbling again and again

It's like first time all over again here I stand
Coming over my head
It's sound so vain, it's kinda crazy, hear my words I'm trying to say
I'm in love with you all over again

And it feels like watching how the sunshines
Getting lost in your eyes
Oh I am in paradise
Feels like breathing for the first time
Holding you so close to mine
I never felt so alive
Like I'm inlove with you for the first time

It's like Valentines every single day
When you smile takes my breath away
I'm a little girl on a Christmas Eve
I can't sleep, I can't wait
'Til I finally have you in my arms...

And it feels like watching how the sunshines
Getting lost in your eyes
Oh I am in paradise
Feels like breathing for the first time
Holding you so close to mine
I never felt so alive
Like I'm inlove with you for the first time

I could hate a thousand pictures
Write a million songs of how much I love you
Oh I'm inlove with you...

And it feels like watching how the sunshines
Getting lost in your eyes
Oh I am in paradise
feels like breathing for the first time
Holding you so close to mine
I never felt so alive
I never felt so alive
I never felt so alive
Like I'm inlove with you for the first time
