

Judas

Yngwie Malmsteen

I cast my pearls before the swine
Sealed and delivered
Then I drink your toast of wine
Though it's bitter sweet

I'm eating from you hand so neat
Pennies from heaven

You say you give
You say you love
But yet you live
Just like Judas, Judas

You say you give
You say you love
But yet you live
Just like Judas, Judas

Sightseeing through the lights and shades
Of you mighty colonnades
Now I got the picture
Of the beauty and the beast

I am the lamb, you are the priest
To crucify me

You say you give
You say you love
But yet you live
Just like Judas, Judas

You say you give
You say you love
But yet you live
Just like Judas, Judas

To make a living, makes no difference
You are what you do
Some are false and some are true
You haven't got the clue

I'd rather reign in hell some said
Than serve in heaven

You say you give
You say you love
But yet you live
Just like Judas, Judas
