

Another One

Yuck

Not gonna waste my time
Not gonna waste my time
I don't wanna hurt you
Not gonna settle down
Not gonna settle down
I don't wanna call you
I don't wanna call you

Got down on my knee
Settle down to you
Everyone can see
It's my time!

Not gonna take my songs
Not gonna take my songs
And I don't wanna bend you
Not gonna take my side
Not gonna take my side
I don't wanna change you
I don't wanna change you

Got down on my knee
Settle down to you
Everyone can see
It's my time!

Got down on my knee
Settle down to you
Everyone can see
It's my time!

'Til I find another one!
