

# Something to Dance For

Zendaya

A dream like this  
Not something you wish for  
A dream like this  
Not something you ask for  
When it's a gift worth taking a chance for  
Then this is something you dance for

Hey yeah, yeah,  
Ohhhh, this is something you dance for

There's a moment when you look to decide  
Who will fall, who will survive  
That's the moment when you find it inside  
On the line, this is your time

And it's all I want  
And it's all I do

A dream like this  
Not something you wish for  
A dream like this  
Not something you ask for  
When it's a gift worth taking a chance for  
Then this is something you dance for

Can you believe it, are you feeling alive?  
Hit your mark, ready to rise  
Your body's aching but your heart doesn't mind  
Feet on the ground, eyes on the prize

And it's all I want  
And it's all I do

A dream like this  
Not something you wish for  
A dream like this  
Not something you ask for  
When it's a gift worth taking a chance for  
Then this is something you dance for

A dream like this  
Not something you wish for  
A dream like this  
Not something you ask for  
When it's a gift worth taking a chance for  
Then this is something you dance for

For the love, for the fame  
To bring down the rain  
By the way that you feel  
When they're calling your name  
For the days, nothing more  
It's just you on the floor  
Ooh, this is something you dance for

A dream like this  
Not something you wish for

A dream like this  
Not something you ask for  
When it's a gift worth taking a chance for  
Then this is something you dance for

A dream like this  
Not something you wish for  
A dream like this  
Not something you ask for  
When it's a gift worth taking a chance for...
